

APPLICATION FOR PRODUCT CONFORMITY ASSESSMENT OF MACHINERY

According to directive 98/37/EC of the european parliament and of the council as amended.

No.: [] TIC's Registry Number (do not fill in)

APPLICANT:

Company name, VAT No., Registration No., Address, Phone, Fax, PIN Code, e-mail, Banking with, Account No., Represented by, Contact person authorized to conduct negotiations

PRODUCT(S):

Product name, Type, Company name and manufacturer's address

ACCOMPANYING DOCUMENTATION:

Instructions for use and assembly, Comprehensive manufacturing and design data, Harmonized standards and other technical specifications used, Technical conditions, Test reports of accredited laboratories, Other documents and information

Applicant's declaration:

- 1. We agree that product samples will not be returned after assessment.
2. We agree with the "Obligatory Business Conditions" of TIC and we will abide by them.

Date of Application

Stamp and signature of applicant's authorized representative

3. The Customer applies for the following activities from the Approved Body mark the required activities with a cross

3.1 <input type="checkbox"/>	EC type-examination of a product	referred to in Annex IV of the Directive according to Annex VI, followed by issue of the EC type-examination certificate - procedure referred to in Article 8 Paragraph 2 Letter b) third Indent and Paragraph 2 Letter c)
3.2 <input type="checkbox"/>	Acceptance, acknowledgement of receipt and archiving	of the technical file compiled according to Annex VI of the Directive (Article 2 Paragraph 2 Letter c) first Indent)
3.3 <input type="checkbox"/>	Verification of the technical file,	compiled according to Annex VI of the Directive, whether the harmonized standards have been properly applied, followed by issue of the certificate of conformity for the technical file (Article 8 Paragraph 2 Letter c) second Indent)
3.4 <input type="checkbox"/>	EC type-examination of a safety component	with verification of its appropriateness to fulfill safety functions declared by the manufacturer, followed by issue of the EC type-examination certificate (Article 8 Paragraph 5)

4. The Customer applies for the following activities from the TIC.

4.1 <input type="checkbox"/>	Assessment of conformity with the essential requirements for a product that is not stated in Annex IV of the Directive,	followed by issue of the final report
4.2 <input type="checkbox"/>	Assessment of conformity with the essential requirements for a product that is not stated in Annex IV of the Directive,	followed by issue of the certificate
4.3 <input type="checkbox"/>	Disclosure a list of all other regulations applying to the given machinery	
4.4 <input type="checkbox"/>	Assistance upon preparation of the design documentation and of the EC declaration of Conformity	
4.5 <input type="checkbox"/>	Assistance upon processing of the risk analysis and evaluation	
4.6 <input type="checkbox"/>	Assessment of conformity of electrical parts with the essential requirements mentioned in Council Directive 73/23/EEC as amended	
4.7 <input type="checkbox"/>	Assessment of conformity of electrical parts with the essential requirements mentioned in Council Directive 89/336/EEC as amended	

Detailed specification of the Pressure Equipment submitted to conformity assessment:

Name and description of the product:	
List of documentation enclosed (<i>figures, drawings, instruction for use & installation, technical specification etc.</i>) as specified in 98/37/EC directive as amended:	
Intended use of the product (<i>detailed description</i>):	
Has been this Machinery placed on the market already? If yes, when has been the Machinery introduced on the market: If yes, which countries have been the Machinery placed on the market in?	<input type="checkbox"/> Yes <input type="checkbox"/> No In year
Is the device designed and manufactured in a controlled quality system? If yes, which standards does comply the quality system with?	<input type="checkbox"/> Yes <input type="checkbox"/> No ISO 9001:2008
Is the quality system certified?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Are the test reports of the accredited testing laboratories available? If yes, specify the test reports in list:	<input type="checkbox"/> Yes <input type="checkbox"/> No
List of documents concerning to manufacturer's quality system (<i>certificates, audit reports, ...</i>)	
Another documents (<i>information, ...</i>):
